

ABN·AMRO

Jefferies 

0.125% Exchangeable Securities on Zurich Financial Services AG into Quanto EUR

FINAL TERMS OF ISSUE – 11 August 2006

We are pleased to present for your consideration the transaction described below. We are willing to negotiate a transaction with you because we understand that you have sufficient knowledge, experience and professional advice to make your own evaluation of the merits and risks of a transaction of this type and you are not relying on either ABN AMRO Bank N.V. nor any of the companies in the ABN AMRO group or Jefferies International Limited or any Jefferies Group company for information, advice or recommendations of any sort other than the factual terms of the transaction. This term sheet does not identify all the risks (direct or indirect) or other considerations which might be material to you when entering into the transaction. You should consult your own business, tax, legal and accounting advisors with respect to this proposed transaction and you should refrain from entering into a transaction with us unless you have fully understood the associated risks and have independently determined that the transaction is appropriate for you.

Form:	Registered
Applicable law:	English
Additional Market Disruption Event language:	<p>The following additional disruption / adjustment provisions shall apply:</p> <p>The calculation agent shall as soon as reasonably practicable under the circumstances notify the holders if it determines that a Market Disruption Event has occurred. Each of the following is a “Market Disruption Event”:</p> <ul style="list-style-type: none"> (a) Price Source Disruption. The failure by the Exchange to announce or publish the price for the Underlying (or the information necessary for determining such price), or the temporary or permanent discontinuance or unavailability of such price by the Exchange. (b) Trading Suspension. The material suspension of trading on the Exchange or any Related Exchange. (c) Disappearance of Price. The failure of trading to commence, or the permanent discontinuation of trading of the Underlying on the Exchange. (d) Material Change in nature of or pricing method. The occurrence, since the Payment Date, of a material change in the basis for (including but not limited to the quantity, quality or currency), or method of calculating the price of the Underlying.

- (e) Material Change in Content. The occurrence, since the Payment Date, of a material change in the content, composition of the Underlying..
- (f) De Minimis Trading. The number of contracts traded on the Exchange with respect to the Underlyings is such that the Issuer declares that its ability to enter into hedging transactions with respect to the Underlying has been impaired due to a lack of, or, a material reduction in, trading in the Underlying on the Exchange.
- (g) Tax Disruption. The imposition of, change in, or removal of an excise, severance, sales, use, value-added, transfer, stamp, documentary, recording or similar tax on, or measured by reference to, the Underlying (other than a tax on, or measured by reference to, overall gross or net income) by any government or taxation authority after the Payment Date, if the direct effect of such imposition, change or removal is to raise or lower the price of the Underlying on the Valuation Date and/or on each of the three Trading Days following the Valuation Date from what it would have been without that imposition, change or removal.
- (h) Trading Limitation. The material limitation imposed on trading in the Underlying with respect to it or any contract with respect thereto on any exchange or principal trading market.
- (i) General Moratorium. A general moratorium is declared in respect of banking activities in the country in which the Exchange or any Related Exchange is located.

Selling restrictions: No sales permitted in the U.S. or to U.S. persons, however the issuer intends to make the securities available for "QIB's" qualified institutional buyers, standard U.K and Dutch selling restrictions apply
